

CROWN II™

Over the past decade the Nordic **Crown II has become one of the world's top selling models.** Nordic's high volume whirlpool design structure is enjoyed on 4 continents. Nordic received national recognition, being selected as one of the 5 best spas made.* At 90 gallons per minute jet flow, this superior therapy spa recirculates its entire capacity in approximately 3 minutes. When competitors added more jets, we added our superior **DTS™**. This combines Training Room Whirlpool Therapy and back massage for the best therapeutic tub available. With our unique Nordissage seats, this outstanding tub **seats up to 5 adults** comfortably. It's also perfect for two.

(Height 35", diameter 78½")

SPORT™

Considered for years the **best value in the business!** We have updated one of our very first models. The **TR Sport** sets the standard for high volume circular flow and affordability. All models now have Stainless Steel Jets, with a four way **DTS Turbo**. This powerful model fulfills many backyard dreams. The Sport **seats up to 5 adults.** (Height 35", diameter 78½")
