

RETREAT™

The Retreat™ offers **unprecedented value**. With seating for five, this spa can help you create quality family time or simply offer sanctuary from every day stress to couples or individuals. Powerful jets provide invigorating hydrotherapy to tense areas of the body. Plus, Nordic's exclusive dual-therapy system (**DTS™**) offers gentler, whole-body therapy to complement these traditional, more targeted jets. The versatile bench seat can be used as full body massage from the Whirlpool Jet.
